

### ***'HOLOCAUST REMEMBERED'* EXHIBIT INFORMATION SHEET**

The portable Holocaust Remembered Exhibit was created by the Columbia Holocaust Education Commission, in partnership with Historic Columbia. The primary purpose of the exhibit is to increase Holocaust awareness among South Carolinians. The exhibit is an extension of the creation of the Columbia Holocaust Memorial Monument in 2001. The Columbia Holocaust Education Commission is dedicated to fostering Holocaust education throughout South Carolina and promoting an active dialogue about the meaning of its history, memory and lessons.

The Holocaust Remembered Exhibit is a unique exhibit that memorializes the victims of the Holocaust and honors South Carolina survivors and liberators by featuring images and personal recollections.

- The exhibit's 12 stands are lightweight, portable, and not difficult to set up. The 24 panels are housed in cassettes within two-sided stands. The stands are W31" and extend up to H84". They are easy to pull up. All panels or individual panels can be requested.
- The exhibit is housed at the Columbia Jewish Federation, 2711 Middleburg Drive, #101, Columbia, SC 29204. The exhibit will need to be picked up and signed out at that location. - The exhibit can be checked out for up to 30 days.
- Borrowing organizations may include nonprofit groups, schools, or faith-based organizations.
- The Commission reserves the right to request return of the exhibit should it be used in a manner that is not consistent with its mission and goals. Please review mission and goals on our website at [www.ColumbiaHolocaustEducation.org](http://www.ColumbiaHolocaustEducation.org).
